REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. 1.322

Sir:

We respectfully request that a Certificate of Correction under the seal of the Patent and Trademark Office be issued to correct the errors specified in the attached form. The corrections are necessary because portions of the patent are made ambiguous or incorrect by the errors present.

On July 31, 1995, Applicants requested that the claim dependencies be corrected (see the enclosed copy of an Amendment filed under 37 C.F.R. §312(a)). Since the Amendment was filed prior to the November 7, 1995 issue date of this patent, it is Applicants' contention that these errors appear to be on the part of the Patent and Trademark Office. Therefore, no fee is deemed necessary as a result of this Request.
